"THE GIRL QUESTION" IS WELL RECEIVED LOCALLY

"The Girl Question," as presented by H. H. Frazee at the Calumet theater last evening, made a hit with the local theatergoers. The house was crowded and the success which has attended the presentation of this dashing and original entertainment at the La Salle theater was repeated. With plenty of action, some catchy songs, unique dances and a genuine plot, the playgoers were kept constantly entertained and in a merry mood throughout.

The setting of the play was fine, particularly in the scene of the Chicago restaurant, where the dances were executed around the restaurant tables, in a decidedly novel manner. In the last act, the scene changes to a big business office, and the dancing is done amid the clicking noise of eight typewriters.

Probably the work of Genevieve Victoria, as the restaurant cashier with her sweet voice and graceful dance was most appreciated by the Calumet audience. The dancing specialty of Jack Fox and Joe Evans, burnt cork artists also appealed to those present. Lillian Logan ably portrayed the part of "Joe" Foster, which appeared to be an exceptionally difficult one to handle. Louis Auber, the pretty stenographer who married a multi-millionaire, Harry Short the head waiter, Alex B. Francis, the German comedian, and other members of the cast appeared to advantage, and were freely applauded by the audience.

EVANGELISTS HERE OCT. 29.

A letter was received last evening from Hart and Magann, the evangelists who are to conduct special services at the Calumet M. E. church to the effect that they will reach this city next Friday, Oct. 29, and that they expect to open the services in this city on Friday evening. Messrs. Hart and Magann are meeting with a great success in the meetings which they are conducting in McPherson, Kansas, and have secured many converts.

Messrs. Hart and Magann are among the best known and most successful of the present day. Although both are western men, they have achieved wonderful results throughout the entire country. Mr. Hart, the evangelist, is an exceptionally strong and inspiring speaker, and Mr. Magann has experienced unusual success in the musical department of the services.

OPAL INQUEST HELD.

Justice Richard Rule of Tamarack conducted an inquest last evening to determine the cause of death of the late Jonas E. Opal. The jury consisted of the following: Joseph T. Amos, Chas. Mince, John E. Johnson, Thos. Medlyn, Wm. Beauchene, and John Primeau. After hearing the testimony of the witnesses, the jury returned a verdict to the effect that "the late Jonas E. Opal came to his death by accidentally falling on the cage or bonnet of the cage at the No. 5 shaft of the Tamarack mine, on Oct. 21."

The funeral of the late Jonas E. Opal will be conducted on Sunday afternoon from the Red Jacket Congregational church with interment in the Lake View cemetery. The services will be held at 2 o'clock.

ANOTHER INDOOR BASEBALL TEAM WANTED FOR LEAGUE

Three Have Already Been Organized and Are Willing to Go into a League But a Fourth Aggregation is Necessary—Meeting Will Be Called as Soon as Possible.

An effort is being made by Physical Director Sherwood of the Y. M. C. A. to organize a four team indoor baseball league for Calumet. Three teams have already been organized, and are willing to join the proposed league. Any lover of the game willing to get the fourth team together may communicate with Mr. Sherwood. The three teams already organized are the Y. M. C. A. Seniors or first team, the Cardinals, and the Red Jacket Clerks, captained by Joe Leam. If the fourth team is secured this week, a meeting of the managers and captains will be held Monday evening in the local gym for organization purposes.

It is proposed to arrange for two games weekly all of them to be played in the Y. M. C. A. gym, and a schedule covering the season will be arranged for as soon as possible. At Monday night's meeting, provided it is held, a schedule committee will be named.

Should it be found impossible to organize a four team league, it is proposed to play independent indoorball, and games will be arranged with teams from the southern end of the county, particularly in the Portage Lake district.

It has been suggested that one of the fraternal organizations of Calumet organize an indoor team, and get into the league, or else that the members of Company A, Engineers, get together and organize. There is plenty of baseball material in the militia ranks and two or three of the local fraternal societies could form strong teams if they so desired. At any rate, a strong effort is to be made between now and Monday evening to secure a promise from some source to organize a team, and it is hoped for the sake of the sport that the effort will be successful.

GRAND THEATER IS POPULAR.

Daily Change of Program is Popular With Patrons of House.

The daily change of program, recently inaugurated at the Grand Theater in Calumet, is liked by the patrons of this popular moving picture house, their appreciation being evidenced by the large attendance at each of the shows every evening. From the time he took hold of the business, Manager Rice has endeavored to give his patrons the best run for their money and his latest innovation has made a big hit. Each afternoon he receives a new lot of moving pictures and illustrated songs for the evening's entertainments. These are shipped back the next day and another consignment takes their place. These pictures are up-to-date, including all of the latest feature films and humorous, semi-serious and serious productions turned out by the most expert people in this line of business. In fact there is no moving picture house in the country with a more up-to-the-minute program than is presented each night at the Grand. The pictures are clean, amusing and instructive, and entertaining alike to young and old.

TEKLA FARM CONCERT.

Calumet music lovers are awaiting with interest the entertainment which is to be given by Tekla Farm (McKinzie) at the Calumet theater on Oct. 27, the proceeds of which will be given to the Calumet Associated Charities.

Those who remember the splendid concert given by Tekla Farm under the auspices of the Calumet Congregational church about two years ago, feel sure that the entertainment in Calumet will be one well worth attending. Her beautiful soprano voice has a wonderful range and volume and it is believed that her concert will be much appreciated in Calumet.

George Jacka is paying a short visit to his lumber camps at Alston.

There will be a special meeting of Elizabeth Rebekah lodge No. 15 Saturday afternoon at 3 o'clock, Oct. 23, to make arrangements to attend the funeral of Mrs. Hector McKenzie.
